

Now That I've Lost My Baby

Can't eat/
Can't even sleep at night
(Chorus) Now that I lost my baby
Things we did/
I can't do alone no more
(Chorus) Now that I lost my baby

We used to hold hands and walk down West 8th Now I can't even bear to go any place
Seeing couples smile and drink and have fun now that I lost my only one

I was to blame I was too blind to see/
(Chorus) Now that I lost my Baby
I should of known she had someone else than me
(Chorus) Now that I lost my Baby
Why did I have to be so stupid and dumb/ I know we use to have so much fun
But now I'm all alone and I'm free
Hey man you took that girl from me

You could have told me yourself
(You could have told me yourself)
I didn't have to see you sitting there laughing like you never even knew me
(you could have told me yourself)
Why'd you do this to me?
what did I do to deserve this?
How can I go on?
(You could have told me yourself)
How can I sleep tonight?

Now that I lost my Baby
Now that I lost my Baby
Now that I lost my Bay-Bay-Baby now x3
